TWO CREDITS, ONE DONATION

You can claim both the "Switcher" Tax Credit and the "Original" Tax Credit by making a donation to JETCO.

The Switcher credit allows more students to benefit from a private school education and gives you the opportunity to help provide more scholarships! As required by law, your contribution will first be applied to the "Original" Tax Credit up to the maximum amount of \$546 (\$1,092 for married filing jointly) and then any additional contribution will be applied to the "Switcher" credit. The maximum credit that may be taken for the "Switcher" credit is \$543 (\$1,085 for married filing jointly)
